The **Archangel Enlightenment Foundation Course** is fully comprehensive and is designed to enable the student to become familiar with the eighteen Archangel Essence Sprays. The Archangel Enlightenment course covers advanced multi-dimensional energy healing techniques using crystals and angelic essences. This essence range has been developed with love and angelic guidance over the last twenty years. Each essence contains a combination of crystal, gemstone, colour, flower, tree, sacred sound and channelled cosmic energy.

The Foundation Course can be upgraded to the **Certificate** by completing the **Anatomy and Physiology** module and attending two **Practical Assessment** days. You will be able to gain insurance at the **Certificate Level**. The HRCB can provide a correspondence course in **Anatomy and Physiology**, if required, cost £70

**APL (Accreditation for Prior Learning)** HRCB accepts evidence of prior learning in A&P for those wanting a Certificate.
