Please attach a current Curriculum Vitae

The **Foundation Course in Crystal Therapy** is fully comprehensive and contains the ACHO Core Curriculum as a **Correspondence Course**. It can be upgraded to the **Certificate in Crystal Therapy** by completing the **Anatomy and Physiology** module and attending two **Practical Assessment** days. You will be able to gain insurance at the **Certificate Level**. You can opt for further study of another 6 weekends of attendance to gain the **Graduate Diploma in Crystal Therapy**. The HRCB can provide a correspondence course in **Anatomy and Physiology**, if required, cost £70

**APL (Accreditation for Prior Learning)** HRCB accepts evidence of prior learning in A&P for those wanting a Certificate.
